

9/11 AND THE NEW MIDDLE EAST

Dear Pastor _____,

You might remember where you were when you got the news on September 11, 2001. We all stayed glued to our television screens for hours afterward watching the terror unfold. We fell to our knees, we prayed, and we wept like never before.

That day changed our nation—and each of us—at our core, and it changed the Middle East forever.

This September, you can be a part of a historic twentieth-anniversary commemorative conference for 9/11.

Chosen People Ministries and the Alliance for the Peace of Jerusalem are hosting [9/11 and the New Middle East](#) September 10–11, 2021 live in New York City and streaming around the globe.

- It is a world-class remembrance event featuring 9/11 family members and survivors, photos to honor the fallen, worship and prayer, and a candle-lighting ceremony.
- It is a lineup of the “best of the best” speakers like Billy Graham’s daughter and evangelist Anne Graham Lotz, best-selling author Joel C. Rosenberg, frontline workers from 9/11, Emmy-nominated musician Marty Goetz, founders of Uncharted Ministries Tom and JoAnn Doyle, and Chosen People Ministries President Dr. Mitch Glaser.
- It is an unprecedented and unique opportunity to hear from leading experts and eyewitnesses of current events in the Middle East and Israel and to examine the new Middle East through the lens of Scripture.

Now, imagine all this **at your church, school, or Bible study**. You are personally invited to host this 9/11 conference as a local, live-streaming satellite site.

What does it cost? Nothing. Unlike the New York City event, with tickets from \$95–\$125, we are offering the satellite opportunity at **no charge** to you or your church. All we ask is that you take a love offering for Chosen People Ministries to help cover our expenses for the event.

We will also provide posters, flyers, PowerPoint slides, promotional videos, a press release, and social media posts. Everything is ready to go. We are here to be a blessing and save you time!

Join us as we gather in New York City and around the globe as one family of faith to make a new mark on history!
